The background of the slide is a dynamic splash of orange liquid, resembling paint or juice, against a white background. The splash is composed of various droplets and larger, more turbulent areas of orange, creating a sense of movement and energy. The colors range from a bright, almost white orange to a deeper, more saturated orange.

## STUDIO - 1

## STUDIO - 2

A vibrant, abstract background featuring a large, dynamic splash of orange liquid. The splash is composed of various shades of orange, from light and airy to deep, saturated tones, creating a sense of movement and energy. The liquid appears to be splashing upwards and outwards from the center, with many small droplets and larger, more fluid shapes. The overall effect is bright and energetic, filling the frame and providing a high-contrast backdrop for the text.

A vibrant orange liquid splash, resembling paint or juice, forms a large, irregular shape in the center of the frame. The splash has many fine droplets and larger, flowing sections, creating a sense of dynamic movement. The background is a solid, bright white, which makes the orange splash stand out prominently. The overall effect is energetic and artistic.
